

Poster Presentation

Please review this year's conference theme and topics. All presentations need to relate to one or more conference topics. Please note that the NAC audience is primarily people involved in research or practice of on-the-ground protection and management of natural areas.

A poster presentation displays information in a static format for the duration of the conference, and facilitates discussion among colleagues during the Poster Session and Reception. Poster presentations are ideal for sharing research in progress, proposing novel concepts or approaches, and implications for natural areas protection and/or management. Posters must not exceed 4'x4'.

Proposal submission

Please have the following assembled before beginning the electronic proposal submission.

- Poster title
- Abstract in the style of a peer-reviewed journal article (not to exceed 400 words).

You will also be asked to select which conference topic your presentation addresses.

Proposal Review Criteria

All abstracts will be reviewed and scored by the NAC program committee according to the criteria below. The program committee will also consider how the abstract relates to other abstracts we received and fits into the overall program. The committee may accept, decline, or offer an opportunity to present in a different format.

Accepted poster proposals meet the following criteria:

- Delivers information on a compelling topic germane to the conference theme
- Provides important advances or concepts related to conservation practitioners
- Content is focused on applied concerns to natural areas conservation
- Topic is of clear interest and importance to natural area practitioners
- Demonstrates developing approaches, novel research, and/or efforts relevant to natural areas conservation
- Conference submission is well written, spell-checked, written in complete sentences using good grammar, etc., keeping in consideration that English may be someone's second or third language

NOTE: Each presenter will be required to register for the conference and cover their registration cost and associated expenses.
