Where is the 2020 Natural Areas Conference?

The Natural Areas Conference will be coming to Reno, Nevada on the banks of the Truckee River, which connects the Sierra Nevada mountains to the Great Basin. Nevada boasts spectacular natural sights, from the sweep of the Great Basin sagebrush to the beauty of Lake Tahoe.

The conference venue, the Grand Sierra Resort, is in the heart of the Truckee Meadows. You can make your hotel reservations in our specially priced room block now. We look forward to partnering with organizations in Nevada, California and surrounding states.
